OUTER BURIAL CONTAINER PRICE LIST

These prices are effective as of June 22, 2015, but are subject to change without notice.

Federal Trade Commission (FTC) Disclosure

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
